uPhoria®

Whiter Teeth In Only 4 Minutes!

INTRODUCING uPhoria®, the most advanced in-office whitening system available. uPhoria® Pro brightens your smile in only 4 minutes during your existing appointment + uPhoria @Home will enhance your results and maintain your smile.

The uPhoria Experience is a truly effective, affordable whitening treatment that won't disrupt your day or your wallet. uPhoria® uses the power of ultrasound to activate the proprietary whitening serum, now available at our dental office. The treatment is 100% enamel safe and does not cause any tooth sensitivity.
